Center/Cooler

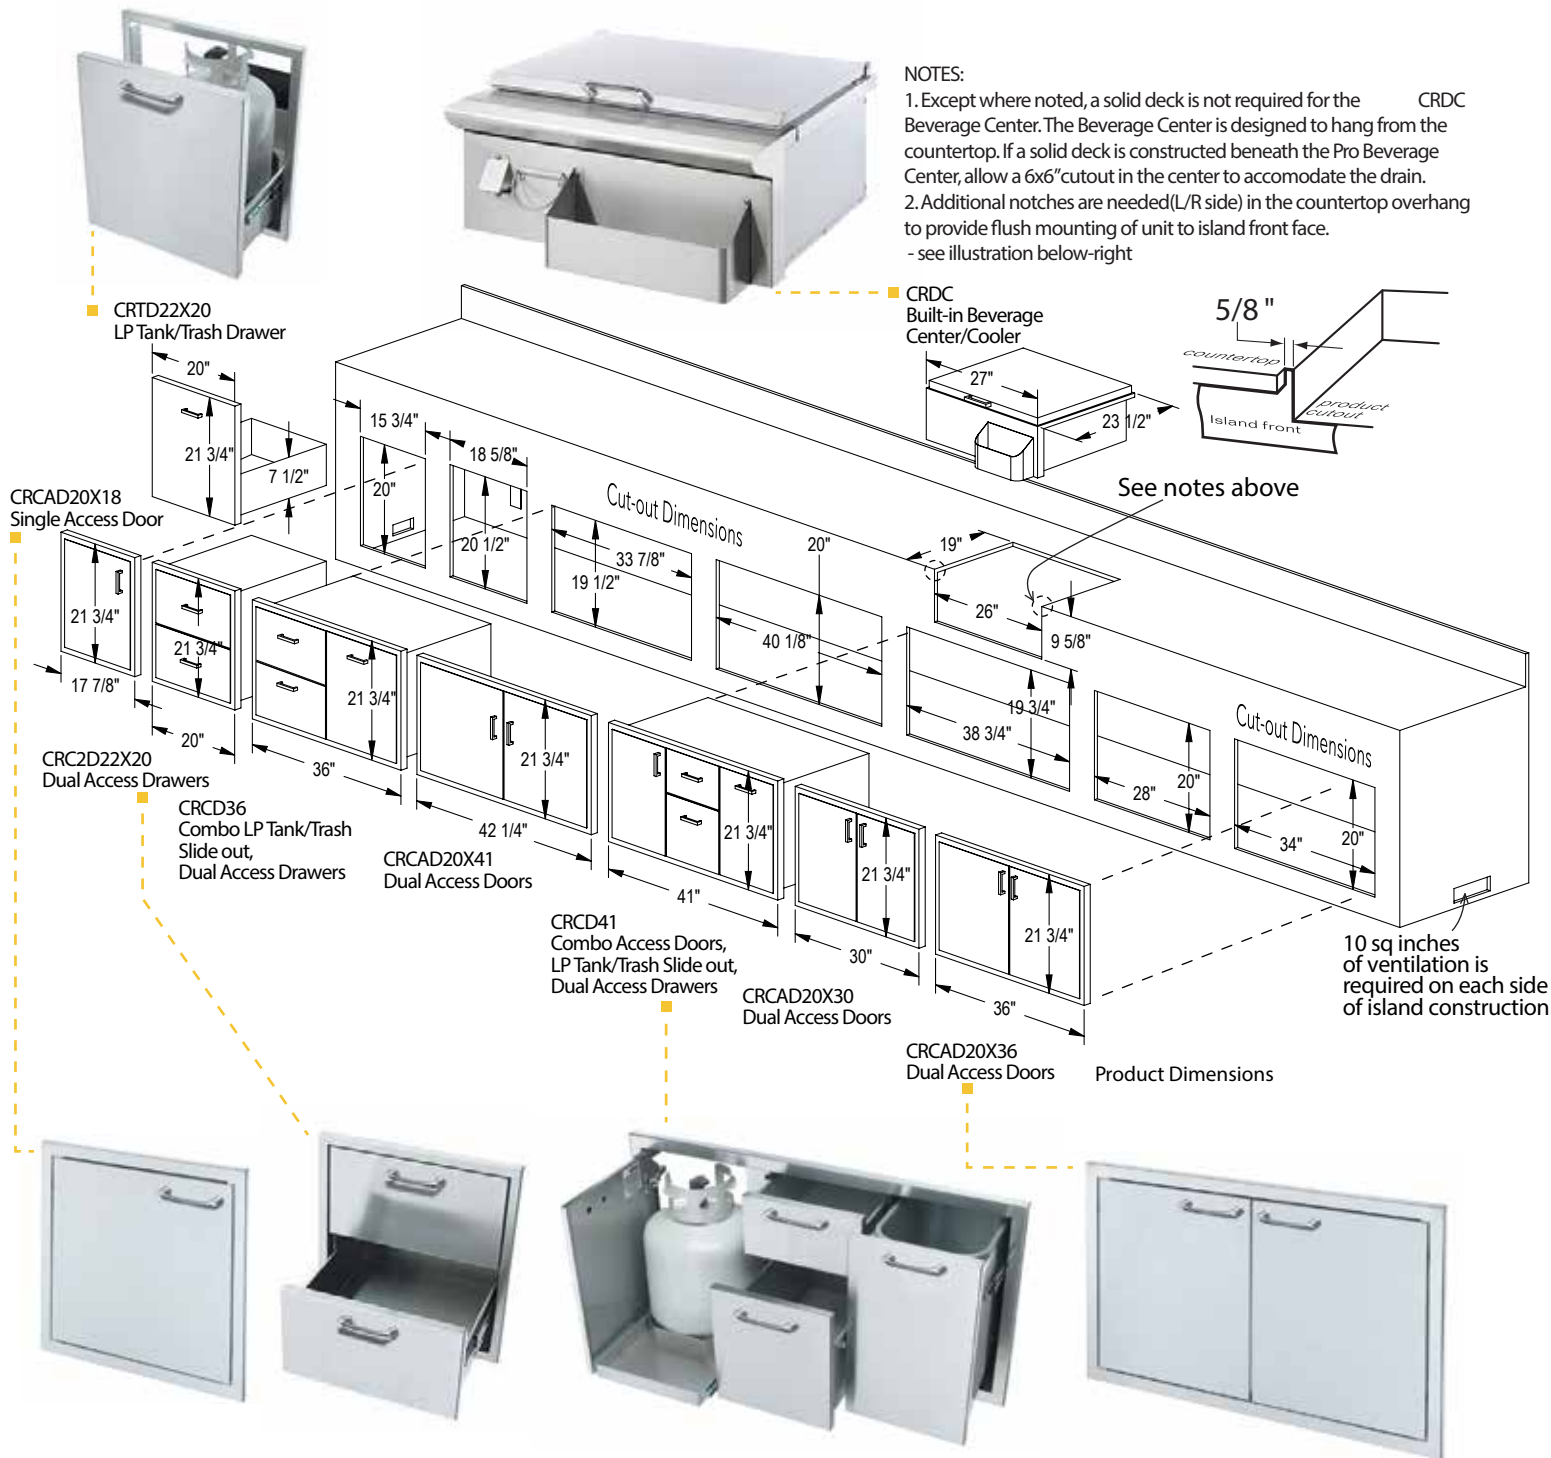

Features/Specifications

- Complete your dream outdoor culinary center with a selection of quality 304 Stainless Steel Caliber Build-in components
- Sized to be used with the Caliber Crossflame Pro[™] and Crossflame Silver[™] grill line
- Single 18" wide Access Door
- Slide out Drawer unit can be used to hold LP tank or as a Trash Center
- Dual Access Doors available in 30", 36", and 42" widths
- 41" Combo unit holds LP tank, Trash Can, plus dual drawers
- 36" Combo unit features LP tank slide out and dual drawers
- 20" wide Dual Drawer unit makes storage easy
- Pro Beverage Center/Cooler insulated design for easy outdoor entertaining

NOTES:

1. Except where noted, a solid deck is not required for the CRDC Beverage Center. The Beverage Center is designed to hang from the countertop. If a solid deck is constructed beneath the Pro Beverage Center, allow a 6x6" cutout in the center to accommodate the drain.
2. Additional notches are needed (L/R side) in the countertop overhang to provide flush mounting of unit to island front face. - see illustration below-right
